CAMELLIAS-AZALEAS-CONIFERS-ORNAMENTALS

FOR THE TRADE ONLY

Fall . . .1958
Spring . .1959

TO THE TRADE:

Our nurseries and offices are located on Highway 66 (Foothill Blvd.) and Grove Avenue, one mile east of famous Euclid Avenue, Upland. See map on inside cover. We extend a cordial invitation to visit our nursery and see for yourself the quality of our Camellias, Azaleas, and other ornamentals. We are open from 7:30 A.M. to 5:00 P.M. week days, and until noon Saturdays. Closed Sundays.

CONDITION OF SALE

Acceptance of Orders: We accept all orders on condition that same shall be void should any injury befall our stock from fire, frost, floods, drought, or any other cause which could not be prevented and over which we have no control.

Guarantee: We exercise great care to have our nursery stock true to name; nevertheless, it is understood that should any stock prove otherwise, we shall not be liable for any sum greater than paid us for only such stock as shall prove untrue.

Terms of Payment: Cash must accompany order, unless established account with us. All charge accounts due within thirty days. Past due accounts subject to legal rate of interest and sight draft.

Claims: Claims must be made within five days of receipt of goods. Claims for damage or delay in transit should be filed with the transportation company. You pay an insurance charge on your shipment which entitles you to a claim in case of delay or damage. We shall be glad to assist you in any way we can.

Packing: Our plants are packed lightly but securely to protect from breakage and freezing. No charge is made for packing the pot-grown Azaleas and Camellias, packed out of pots. Packing at cost on gallon and larger container-grown plants.

Prices: All prices are subject to change without notice. This list cancels all previous lists and all plants listed are subject to stock on hand and to prior sales.

MINIMUM QUANTITIES: Please do not order less than:

25 - 4" pot size, 5 of a variety

10 - gallons, 5 of a variety

Pinto Tags: We are an Authorized Pinto Tag Nursery. No inspection necessary for most California Counties.

1958-1959 WHOLESALE PRICE LIST

White. Semi-double. Fast growing.

208 gallon 14-16" 1.25

YAE ARAKE (Hailstone Double)

White edged pink. Large, single.

34 egg-can 30-36" 3.00

CAMELLIA SPECIAL PACKAGE OFFER

Offer PC-1 - Camellia liners - good standard "Bread and Butter" varieties:

(a)	50	4-inch pot size, our selection -	5 each 10 varieties...	\$21.50
(b)	100	" " " " " "	- 10 " 10 " ...	40.00
(c)	100	" " " " " "	- 5 " 20 " ...	40.00

Offer PC-2 - One gallon Camellias, YOUR choice of the following 18 varieties, labeled with color picture tags. Maximum 25% of one variety.

(a)	50	plants - 5 each 10 varieties	\$45.00
(b)	100	plants - 10 " 10 "	85.00

Pink	Red	Variegated	White
C. M. Wilson	Colonel Firey	Adolph Audusson	Alba Plena
Debutante	Glen 40	Bella Romana	Joshua E. Youtz
Eleanor Hagood	Julia Drayton	Daikagura	Purity
Kumasaka	Pope Pius IX	Jordan's Pride	
Pink Perfection	Prof. C.S. Sargent	Nagasaki	

All KBN quality plants, no runts. We do not promise buds on package offers.

POLICY REGARDING BUDDED CAMELLIAS

The 4-inch pot liners will not be budded - one gallons priced at \$1.15 will be budded in season. 95¢ varieties will be selected with buds when available, even on the "Package Offers", but we cannot promise buds on some varieties.

Our Camellia rooted cuttings are planted in the early spring, direct to 4-inch pots to avoid the roots becoming pot-bound, which is very often the case in the smaller pots. The following spring we shift these 4" pot plants to gallons, assuring a strong and healthy root system.

CLASSIFICATIONS used in this list are taken from those adopted by the Camellia Societies of California, as follows:

Single -	One row of not over eight petals. Example: Apple Blossom.
Semi-double -	Two or more rows of petals, conspicuous stamens. Example: Finlandia.
Anemone Form -	A flat flower with one or more rows of large outer petals, center a convex mass, composed of petaloids and stamens intermingled. Example: Chandleri Elegans.
Peony Form -	A deep rounded flower with several rows of outer petals, the center a convex mass of twisted petaloids and stamens. Example: Debutante.
Rose Form -	Imbricated petals, showing stamens in a concave center when fully open. Example: Purity.
Formal Double -	Fully imbricated, many rows of petals never showing stamens. Example: Alba Plena.
